

The Compassionate Educator: Kicking Out Fear... Welcoming Conversations About Alzheimer's Disease

Biography

Sandra R. Kiser, an Alzheimer's Advocate and author of two publications on Alzheimer's is helping to eliminate fear by educating, increasing awareness, and empowering our communities. Her first book on Alzheimer's, *Mysterious Wonderment: When Alzheimer's Disease Becomes Your Word of the Day*, was #1 in Dementia on the Amazon Best Seller list when it debuted in 2020. Her sophomore publication, *The Amazing Adventures of the Jolly Heart Squad* was written to educate youth about the disease.

Sandra's website, *Alzheimer's for All* dedicated to shedding light on Alzheimer's disease and fostering understanding, compassion, and empowerment within the community. She volunteers with the Alzheimer's Association North and Central Florida Chapter. Sandra's story was featured in the U.S. Times, Author Insider, among other publications, and she has also participated in interviews for the Speakers Magazine Podcast and Your Journey 2 Freedom Radio Talk Show on Joyful Noise Radio.
